*Can there be a more musically diverse band in America than the University*

of Washington's renowned marching jukebox known to all purple and gold faithful simply as the Husky Band? This latest compilation of game day and halftime favorites includes some of the all time standards on any Husky fan's play list including Louie-Louie, Johnny B. Goode, and the band's signature song - *Africano*. Also included are some of the hottest halftime tunes from the 1999-2001 football seasons: artists whose music seems tailor made for the Husky Band such as Stevie Wonder and Carlos Santana as well as such super groups as Chicago and Earth Wind & Fire. To top things off, the HMB will further entice you with exciting arrangements of a variety of additional pop, Broadway, and U2 favorites.

Other college bands might encourage you to sit back, relax and enjoy its music, but this is not a recording for the passive fan. Whether at home or at your favorite tailgate party, get on your feet; put on this latest effort by one of this country's most exciting collegiate bands and.....LET'S GROOVE!
