Una Voce: The Florida Men's Chorale • P. O. Box 2504 • Largo FL 33779 • [www.Una-Voce.org](http://www.Una-Voce.org)

*The UV Rays is the eight member auditioned ensemble of Una Voce: The Florida Men's Chorale located in the Tampa Bay area of Florida. They perform for events at which the entire chorus cannot attend like the inauguration of the Mayor of Tampa. The UV Rays sing an expanded repertoire with featured solos. In October 2007, the UV Rays made their GALA debut at the Annual Leadership Conference right here in Denver where their performances were met with an enthusiastic response!*
